

## Sample Email #3 – General Care Net Focus

Empowering people to make life-affirming choices. Prevention. Intervention. Restoration. This is the mission and purpose of Care Net. **On October 14<sup>th</sup>, I am walking in the Walk for Life because I want to partner with this ministry as they offer choices that value every life** – students, moms, dads, babies and their families. Last year, 84 babies were born to Care Net clients and they received support and material resources all because of sponsors like you.

Everything Care Net provides is free to the clients and students they serve. The funds I raise will help make these services possible.

**I need your support to reach my fund raising goal of \_\_\_\_\_! Please consider a donation of \$25, \$50, \$100 or more and sponsor me on my personal fundraising webpage. {link here} Thank you in advance for your generosity!**
