

## SAMPLE SPONSOR REQUEST LETTER

Dear Friend,

On Saturday, October 19<sup>th</sup> I am going to participate in the **Annual Walk for Life to benefit INTEGRA Pregnancy Services**. INTEGRA is a life-affirming ministry whose mission is to empower people to make life-affirming choices. They compassionately serve women, men and families facing unplanned pregnancies, offering them a meaningful alternative to abortion. All of their services are provided free of charge – I am participating so they can continue serving all who walk through their doors!

### **INTEGRA ministers in many ways:**

- They offer pregnancy tests, referrals for on-site ultrasounds to confirm pregnancy, and options coaching while meeting spiritual and practical needs - maternity and baby clothes, formula, diapers, parenting classes.
- Through their **Sexual Integrity Workshops**, they challenge teens with the message of sexual risk-avoidance, reminding them of their incredible value and worth as human beings and equip them to make healthy choices for their sexuality.
- Through their **Abortion Recovery Support Groups**, they reach out to the church with the sanctity of life message and provide support to post-abortive men and women.

For more information, please visit their website at [www.IntegraPregnancyServices.com](http://www.IntegraPregnancyServices.com).

I am writing to invite you to sponsor me. For every \$150 I raise, Care Net can provide life-changing services for two clients. My goal is to raise **[your goal amount]**. Will you help? The pledge amount is not a per-mile pledge, but rather a one-time donation. Some sponsors give \$100, some \$25, others \$10. Your gift is tax-deductible and any amount impacts lives!

You can give online at [www.IntegraWalkForLife.com](http://www.IntegraWalkForLife.com), send a check now, or INTEGRA will collect your pledge through the mail **after** the Walk for Life. Thank you for supporting me as I put my feet into action on Saturday, October 19<sup>th</sup>.

Thank you,

**[Your Name, phone # and email]**
